Academic Performance and Qualification Results 2025/26

At ADO River Valley Independent Special School, we recognise and celebrate individual achievement. Our learners follow personalised educational pathways, with opportunities to gain nationally recognised qualifications that reflect their abilities, progress and aspirations.

Qualification Results 2025/26

Qualification	Entries	Achieved
AQA Unit Award Scheme	183	183
BTEC Level 1 – Animal Care, Applied Science and Art and Design	15	15
BTEC Level 2 – Animal Management (coursework and examinations)	5	5
Functional Skills English (assessment components)	26	13
Functional Skills Mathematics	10	3

BTEC Level 2 learners successfully completed their assessed coursework and examinations during the academic year and are continuing towards completion of the full diploma.

Understanding our results

Results reflect qualification entries and assessment achievements rather than individual pupil numbers. Learners who joined programmes partway through the academic year and were not yet ready for final assessment have not been included in the relevant BTEC Level 1 entry figures.

We remain committed to recognising individual progress and supporting every learner to achieve meaningful qualifications at a pace appropriate to their needs.
